## JESUS IN THE OLD TESTAMENT (Part I)

—Josh Walker—

### Introduction

“Is Jesus in the Old Testament?” The short answer is yes; however, He is in the Old Testament in more ways than people think. There are three main ways Old Testament reveals Jesus; prophecy, typology, and theophany.

### Prophecy

The most significant Old Testament Christology material is in the Messianic prophecies. While the number of messianic prophecies seems subjective, a conservative estimate is north of 300 prophecies of Jesus. In 1 Peter 1:10-12, the apostle points out that men inspired by the Holy Spirit longed to know more about Whom they wrote. There are two groups of Messianic prophecy: **Typical and Direct**. A typical Messianic prophecy applies initially in the Old Testament, with its ultimate fulfillment in Jesus, while Direct Messianic prophecy applies to Jesus and Him alone. An example of the former is Psalm 41:9, which David wrote in response to the betrayal of Ahithophel (2 Sm 15:12). Christ applied Psalm 41:9 to Judas’ betrayal (Jn 13:18). The book of Isaiah provides an example of direct Messianic prophecy in Isaiah 7:14, where the prophet foretells of the virgin birth of Jesus. This prophecy can only be attributed to Jesus. Genesis provides the very first Messianic prophecy, forecasting the incarnation of Jesus and His victory over Satan. “ I will put enmity between you and the woman and between your offspring and her offspring [the seed is an attribute of men, with this exception pointing to the virgin birth]; he shall bruise your head, and you shall bruise his heel [in regards to the temporary ‘success’ of the crucifixion].”

## Memory Verse

The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.
