CHURCH OF CHRIST

As we have therefore opportunity, let us do good unto all men—Galatians 6:10

What Is The Difference Between A Hypocrite And A Faithful Christian Who Stumbles? (Part 2)

—Thomas B. Warren—

At the same time, another couple (husband and wife) **demonstrate** (even though they are not absolutely perfect) even as they engage in singing, prayer, the Lord's Supper, giving, or the preaching of God's sacred word) that they not only put God ahead of everything else in their lives, but they realize that they need the **mercy** of God because they are **not perfect**—that is, it is **not** the case that they **never** sin at any time by (1) doing something which the Bible **forbids** or by (2) **failing to do** some deed which the Bible makes clear is something which one must do to be pleasing to God.

The two couples described briefly just above can be the source of each and every one of us weighing our lives in the light of the sacred word of God, the Bible. If any person is a **hypocrite** (merely **pretends** to be faithful), then if he/she is to be saved eternally, he/she must repent of their past sins and turn away from their wicked ways.

If any human being holds that he can deceive God into not knowing that he is living a **hypocritical** life, then—if he never subsequently repents (before his death)—he will be lost forever in the midst of very agonizing suffering.

Jesus made clear (Mat. 23:27-28) that **every** hypocrite is in very deep trouble. On the "outside" they are "beautiful," but on the "inside" they are full of mere bones and filth. Let us all help one another so that we will not be eternally punished.

It would be good for every person to thoroughly examine his own heart and deeds with sincere intention of (1) not **masking** who he really is while he merely plays a part for those who observe him, (2) not **acting** with the desire—not to actually do what is right but merely to gain the approval of other mere human beings (see Mat. 6:1-3), (3) not **being satisfied** with the mere external aspects of religion, while he pays no attention to the crucial matters of love for God and his fellow human beings (Mat. 15:1-21), (4) not **using** the language of the Bible in such fashion as to hide the real motives which are concealed in his heart (Mat. 22:18-22), and (5) not **ignoring** the marvelous teaching of Jesus by which He warns every hypocrite. May each and every one of us earnestly strive to reject all hypocritical thoughts and deeds.~
